A Message from Miss Budden

We once again come to the end of another incredibly busy term at Springdale, which has been jammed packed full of events and exciting opportunities. We have celebrated World Book Day, watched a fabulous pantomime, enjoyed a fencing presentation, played host to the Mayor of Bournemouth, as well as welcoming historians and scientists to Springdale to help us further strengthen our knowledge and understanding in these areas. All of these events continue to enrich our curriculum and enable the children to experience new opportunities and possibly opening up new interests that they may wish to pursue further.

Some of our children have also been representing the school through various activities. Our School Councillors took tea with the Mayor of Bournemouth, Anne Filer and her Mace Bearer Jeff. The children asked her a range of questions to help them understand her role and responsibilities to the community. The children were able to see our British Values in action and identify similarities to our school values. Some of our Year One and Year Two children have also taken part in multisport activities, working with other children from different Hamwic schools. As always, the behaviour of our children was impeccable.

It was great to see so many of you on Monday and Wednesday evening for our parent consultation evenings. I always really enjoy walking around school listening in to the conversations that are happening and hearing how well all the children are doing. The progress that the children have made in their learning is excellent, and the targets set by the teachers will no doubt ensure that this progress will continue. It was great to see so many proud faces around school again. We look forward to hosting more opportunities for you to come into school to see how well your child is doing.

As mentioned in my last Parentmail, I am delighted to share our new behaviour policy with you. Our new school rules, Ready, Respectful, Safe, are already known to the children and next term we will be focusing on what it means to be Ready, Respectful and Safe in different areas of the school, to ensure that our behaviour continues to be exemplary. We would like to invite you into school on Tuesday 23rd April at 6.00pm to share our ideas with you.

FOND FAREWELLS.....

This week, we will be saying goodbye to Mrs Green. Mrs Green will be taking on an exciting new role at Merley First School. This is a sad loss for our Springdale family, but a fantastic new opportunity for Mrs Green. On behalf of everyone at Springdale, we would like to say a big thank you for everything you have done for the children. You will be sadly missed. We will also be saying goodbye to Mrs Wilson too. Mrs Wilson has decided to move on from Springdale First School. Her kind and caring nature will also be greatly missed. Once again, we wish her all the very best.

GLORIOUS GREETINGS.....

After Easter, we will be welcoming Miss Cribb to our Springdale family. Miss Cribb will be working in Otters class for the Summer Term. She previously worked in a school in Buckinghamshire where she taught in Year 3. Otters class had the chance to meet Miss Cribb online on Tuesday, where both Miss Cribb and the children were able to introduce themselves. She is very excited to be joining Springdale and working with our lovely children.

May I take this opportunity to wish you a Happy Easter and I look forward to seeing you all back at school on Monday 15th April.

Sending you my very best wishes
Miss Budden.

Mayor Visit

On Monday 18th of March, we were honoured to welcome Bournemouth Mayor Anne Filer and her Mace Bearer, Jeff Brown for a visit to our school. The whole school were honoured by an assembly.

Mr Brown talked to the children about the different ways mayors used to try to collect money from the towns people. He brought artefacts from hundreds of years ago, demonstrating very unusual ways of clobbering people on the head. The children really enjoyed seeing the artefacts, especially when Mr Brown demonstrated on Miss Budden!

Mayoress Anne Filer, sat down for a discussion with the School Council. The children spoke confidently asking questions and learned a lot about the Mayor's role. Her favourite spot in Poole is Poole Quay and she takes the role of thanking countless volunteers throughout the community, very seriously. The Mayoress and Mace bearer were impressed with the whole school and the behaviour of all the children at Springdale.

The children were left inspired as Mayoress Anne Filer explained how she became mayor and some of the changes she had campaigned for in the local area.

Mayor Visit

Red Nose Day

Thank you to our Springdale family for supporting Red Nose Day 2024! The children all looked fantastic! The children did a great job 'Wearing Red' especially all the red hair!

As a school we raised £206.00. The school council did an assembly to the whole school about all the worthwhile charities, their money will support.

Thank you again for your generosity.

Artist of the Month

In January we started Artist of the Month. The children were introduced to Henri Matisse in an assembly and given the art task of completing a collage using similar techniques and skills as Matisse. There have been so many wonderful pieces of Artwork completed, and they have all been displayed in the hall on the Art board. Thank you for sharing your creative abilities and your art skills with us. Our artist of the month for February was Frida Kahlo. The art task was to complete a self-portrait with items you enjoyed around. Please see the school website under Art for more information. For March/April, the artist of the month is Jackson Pollock. The art task was to create a splatter painting - similar to Jackson Pollock. We have a few art creations in, please send any more into class during April. They are displayed in the hall on our art board.

Drama Club

Over the last 2 months, 18 students have been practicing their singing, dancing and acting skills each week at drama club. They have been working hard to learn an adaptation of 'The Lion King' which they got the chance to perform to their grown-ups and the rest of the school last week! They did a fantastic job, putting on a very professional show and wowing their audience. Well done, drama club!

Attendance

Absence due to illness.

There is wide agreement among health professionals and educational professionals that school attendance is vital to the life chances of children and young people. Being in school improves health, wellbeing and socialisation throughout the life course. The greatest benefits come from children and young people attending school regularly.

It is usually appropriate for parents and carers to send their children to school with mild respiratory illnesses. This would include general cold symptoms: a minor cough, runny nose or sore throat. However, children should not be sent to school if they have a temperature of 38°C or above. Please see the following link for further information [NHS 'Is my child too ill for school?' guidance.](#)

Unauthorised absence

As stated in our Attendance Policy, absence will not be authorised during term time except in exceptional circumstances. **It is very important that all parents and carers understand that children with unauthorised absences, including holidays and unexplained absence will be at risk of receiving a Fixed Penalty Notice from BCP Council.** For further information or clarification of the above, please refer to our Attendance Policy on the school website.

Finally, we would like to take this opportunity to say 'Thank you' to all of our families who consistently ensure their child's/children's attendance and punctuality is good. Getting these important habits established early on in your child's life will make a difference to their futures. There is a proven link between attendance and achievement.
