

We all matter at Springdale

BULLETIN No: 53

World Environment Day – Tuesday 5th June 2018

World Environment Day is coming up and the theme for 2018 is '**beating plastic pollution**'. In class, the children will be learning about the three 'R's' ('Reduce, Reuse, Recycle') and will be taking part in activities based around this theme.

We are collecting the following materials to use within our activities so please have a rummage in your recycling bins.

Year 4 – lots of coloured plastic bags and small plastic bottles please (no bigger than 0.5L)

Year 3 – large plastic bottles (any sort)

Year 2 – large plastic bottles (any sort)

Year 1 – milk bottles (2 litre)

Half Term Home Learning Project:

Ready, Steady, Recycle!

Get involved with your children at home by working together to create an imaginative piece of art **using only recycled materials!** You can create pictures, sculptures, posters, hanging models etc.

Bring your clearly labelled creations to the hall by Tuesday 5th June when we will be having a celebratory assembly to share our masterpieces.
